1. All requests should be made by completing the Church application form. The date of the Sacrament cannot be confirmed before the office receives this application with all the needed information. Certain data on the application are very important for the Church. You may need to discuss them with Der Hayr.
2. The God Parent of the Baptism must be a member of the Armenian Apostolic Church. God Parents are requested to meet with Der Hayr before the Sacrament to discuss and review their responsibilities in this Sacrament. We strongly recommend that they be in Church at least 15 minutes before the designated time for Baptism.

We ask you that you be in the Church sanctuary a few minutes before the designated time. Sometimes there are more than one Sacraments on the same day. Please note that a delay in one Sacrament will cause a delay in the following one. If there is another Sacrament scheduled after yours, we will have to cancel yours if you are late enough to cause a delay in the following Sacrament. The Church Office will not release its Calendar's itineraries to Sacrament applicants.
4. Please note that the Church sanctuary is the House of the Lord, Even though it is mainly your family members and friends who are in the church, make sure that the sanctity of the place is not disturbed by unnecessary talk or undesired behavior. We ask you kindly to remind your guests concerning this important matter.
5. Only ordained ministers and servants are allowed on the Altar of the Church. Cameramen and other lay-people will not be permitted to go on the Altar. Der Hayr, or one of the Deacons, will be glad to talk to the Cameraman and explain the details of the Service movements to him.
6. Unless indicated otherwise, this Church conducts all her services in Armenian. If need be, we will be glad to use the English translated version of our Sacraments. It is important, however, that you inform the office about your decision before the day of the service.
7. The Church does not apply fees for the Sacraments. We want to remind you, however, that the Church has to pay utilities and maintenance bills to make the sanctuary and other church facilities comfortable and available for your use.
8. If you would like a guest clergy to participate with our Pastor in the service, you must notify the Church Office in advance and arrange for their attendance and remuneration.

Thank you for your attention and cooperation. May we all enjoy an inspiring and exciting Sacrament...
